Do you know how many calories YOUR body “burns” each day?

**METABOLIC TESTING can provide results!**

Do you know how much muscle/fat YOUR body contains?

**BIOELECTRICAL IMPEDANCE TESTING can provide results!**

Gaston College Dietetic Technician Program provides both Reevue Metabolic Testing and InBody Bioelectrical Impedance Testing in the David Belk Cannon Health Education Institute Building.

Cost: $15 for Students. $25 for Faculty/Staff/Public

Call 704.922.6377 (DBC 247) to schedule your appointment today (includes both tests).
